Dear Mr Anderson:

Please pardon my delay in returning the socks. I am getting them off today. The reason is I have been having an unusual ammount of headaches etc. Family sickness along with the usual baseball worries.

I do hope I have not caused you any inconvenience. I will get them to the postoffice within the next few hours.

About the bats please send them to me. Bats and shoes are our big problem as you know. Most of my men like 36's but we will be glad to get what you can let us have.

Thanking you in advance,

Very Truly Yours
